

SPONSORSHIP INVITATION

**THE DOGWOOD INVITATIONAL
JUNE 26 – JULY 1, 2017**

The 2017 Dogwood Invitational will bring together some of the most talented amateur golfers for the fifty first time June 26 - July 1. This tradition, as stated in its original mission, was established to “share with fellow golfers the fun of the best competition on a fine layout”. The Tournament has a positive impact on the community, shows the passion of Druid Hills Golf Club’s members for the game and their course, and solidifies the Club’s deep connection to the history of golf in Atlanta.

The first Dogwood Invitational, held in April 1941, validated Druid Hills Golf Club as a challenging venue for amateur golf tournaments. Since opening to great acclaim in 1912, the Club has always nurtured talented golfers with a rich history of hosting southern championships. The Club has hosted eight Georgia State Amateur Championships and can boast having held 90 championships including the Dogwood, since the club's establishment.

As a Tournament sponsor, you can interact with the professional golf stars of the future by playing in the Dogwood Am-Am on Tuesday, June 27, and attending a reception that evening to recognize players. The following pages provide further information about sponsorship registration and our supported charities. Please consider being a sponsor for the Dogwood Invitational, a Druid Hills Golf Club tradition.

Thank you,

The Dogwood Invitational Tournament Committee

DOGWOOD SPONSORSHIP

The Dogwood Invitational relies on sponsors to raise funds to allow the tournament to help junior golf and juniors golfers to grow. There are several ways you can help the Dogwood expand its charitable reach. Please join us in celebrating the game of golf and perpetuate its future.

We support The Druid Hills Golf Club Foundation, which awards the Reynolds Scholarship college grant to students who represent the virtues of hard work and commitment to academics and golf. We also help Georgia Junior Golf (GJG) expand its programs throughout the state, enriching the lives of young people with passion for the game.

Supporting GJG allows the program to expand its programs throughout the state and continue teaching kids the game. GJG prides itself on a variety of programs for thousands of junior golfers ages 7-18, keeping the game alive for our youth.

The purpose of the Reynolds Scholarship is to encourage and promote the attainment of higher educational goals for students who have demonstrated successful participation in a junior golf program in Georgia. The Foundation will provide \$3,000 yearly grants for deserving undergraduate students at accredited two or four year colleges or universities.

Sponsorship of the Dogwood will allow you the enjoyment of playing with Dogwood players in the Am-Am on Tuesday June 27. The Am-Am event is a tournament within a tournament, as you and your partner play with two Dogwood players in a modified stableford contest.

Please review the offerings on the opposite page and pledge your support for this Druid Hills Golf Club tradition.
